MEMORANDUM FOR: Chief, Payroll and Travel Branch, Finance Division

FROM : Office of General Counsel

SUBJECT : Key Money - [REDACTED] 25X1A9A

1. Reference is made to your memorandum of 12 July 1954 on the above subject.

25X1A9A 2. It is stated that the \$1400.00 Key Money claim, plus payments already made to [REDACTED] for rent and utilities, will not exceed the maximum quarters allowance of this employee for the period in question. It is also stated by Subject that he was not able to recover any of the Key Money payment when he was transferred from the Station by the Agency. It appears agreed by all concerned that payments of this nature were necessary at that time in order to secure proper living quarters at the Station.

3. In view of the circumstances, this Office interposes no objection to payment of the claim.
